

Singing Course in Italy ~ 22.-28. October 2023

Do you want to just sing without feeling self-conscious, surrounded by others who feel the same?

Want to be somewhere away from your usual singing spaces to just focus and have the chance to sing however you like?

We are passionate about cultivating a safe and non-judgmental environment to support you as you explore your voice and enjoy singing songs and learning new techniques.

No judgement, just support and encouragement!

Location

Casa Incanto is a little farmstead on the country side of Valle Umbra. It overlooks an amazing valley which is not only geographically the heart of Italy.

A place, that is meant to be a friendly and simple guesthouse for those, who seek shelter, a place of silence, for those, who need to rest, and a place of learning and exploring the unknown, for those, who want inspiration.

The perfect place to express yourself vocally, surrounded by beautiful countryside.

The food we serve is comforting and wholesome.
